

# LAVANT HOUSE

*'an outstanding independent school for girls'*

**Independent Day and Boarding School for Girls**

# Letter from the Head

Lavant House was started in 1952 by its first Headmistress, Dora Green, as a school for her own children and a few of their friends. It grew rapidly, new buildings were added in the grounds of the beautiful old country house, and the educational foundations were laid which have allowed the school to grow and thrive over half a century, whilst still maintaining its very special character and ethos.

Today Lavant House continues to offer an outstanding independent education for girls from their earliest days through to the Sixth Form. Just over an hour away from Gatwick Airport and set in glorious Sussex countryside close to the attractive cathedral city of Chichester, Lavant House offers both full and flexible boarding arrangements in its small but vibrant boarding house.

Indeed, the whole school of about one hundred and sixty pupils enjoys a family atmosphere and, by remaining small, can offer personalised teaching leading to excellent examination results, with strong value added, and a caring atmosphere second to none. Year after year our girls leave the Sixth Form for the university of their choice.

Day girls and boarders alike enjoy a rich extra-curricular programme of activities encompassing sports squads and teams (netball, hockey, gym, dance, athletics, rounders, tennis, swimming), Drama, Music (Senior and Junior Choir, Chamber Orchestra, Flutes Choir, Strings Group), Public Speaking and Debating, Creative Writing, Art Club, Artist in Residence, Maths, Science and English Clinics, Duke of Edinburgh and others besides.

This prospectus offers a flavour of Lavant House. You can read more about us on our website [www.lavanthouse.org.uk](http://www.lavanthouse.org.uk) or in the Good Schools' Guide, but there is no substitute for a visit and I invite you to telephone and arrange an appointment.

## Early days

# Individual learning

# Small classes, great results

**Art is a  
great strength**

**Opportunities  
to shine**

**Impressive  
sport**

**Thriving,  
successful  
Sixth Form**

“... the stuff  
childhood  
memories  
are made  
of.”
